With the advent of National Oral Health Policy, adrenaline rushes time to accelerate for the betterment of oral health scenario in our heavenly abode. On this backdrop, it becomes imperative that we undertake a solemn oath to weed out all the discrepancies and abide by the ethics of our holy profession.

Fumbling, tumbling, scrambling, struggling, day in and day out has not been an easy task for the Editorial Board. Battling through heat and cold, dirt and dust, falling at the mercy of fellow advertisers asking for advertisement, (snubbing our pride and humiliations) it's our great pleasure to present the sixth volume of this journal.

We also take this opportunity to wish all of you a year that brings with it peace, health and happiness.
